

# Left Chest Placement Template

Print at 100% scale. Confirm the 1 inch square before using printed marks.

## Reference notes

Adult: start around 3-4 in wide, then check the worn left chest position.

Youth: start around 2.5-3.25 in wide and keep detail readable.

Toddler: start around 2-2.5 in wide with simple artwork.

Pocket: keep artwork inside the pocket-safe area and off raised seams.

Polo / hoodie: clear plackets, buttons, drawstrings, zippers, pockets, and seam bulk.

Use this as a starting point; adjust by garment, logo shape, and shirt size.
